24th November 2016.

Dear Parents/Carers

RE: Mini Bus pick up and drop off.

As you are all aware the Council are closing the bridge in Wednesfield to carry out repair works from Wednesday 30th November 2016. During this time the mini bus will continue to pick up and drop off at the Wednesfield Village site as usual and at normal times.

We appreciate that these repair works will create problems for a number of you and we have considered alternatives but unfortunately we are not able to change the pickup and drop off point.

If you are no longer going to require the mini bus service can you please inform the school office.

Thank you for your co-operation in this matter.

Yours sincerely

Miss R Cooper
Deputy Headteacher.
